

Crystal Synergy Cream Works For Many Different Health Issues... Here's Donna's Review...

Crystal Synergy is all that I was told it was and much more. I keep trying this cream for different applications and I am always amazed at how well it works. These are some things in which it has helped me:

- Stops Knee and joint pain
- Stops headaches and helps to open sinus
- Stops Neck pain and back pain
- Heals cuts quickly
- Zits disappear usually over night
- Bruises go away MUCH faster
- Eye strain and blurriness, I put a little on my eyelids and stops the eye strain
- Sore throat, rubbed on the outside of my throat!
- Stopped a toothache by rubbing it on my cheek!
- Reduces the annoying ring in my ear (Tinnitus) I rub some behind my ear

They say that if it sounds too good to be true it usually is. Well, in this case Crystal Synergy is all that is says it is and a real blessing in my life. I don't want the side effects of drugs. I am very grateful to have the power of this cream in my life. It is simple, FRAGRANCE free and works. It is LONG lasting. The cream seems to 'add energy' to a place that is blocked with pain. It is hard to explain but it doesn't just take the pain away and wears off. It seems as though it continues to keep working on an even deeper level. If you add more cream later it enhances what was applied the first time.

Most Sincerely

Donna Weigel
